Note: If you have received an email from us with an assigned user ID and password, DO NOT REGISTER AGAIN. Just log in to the system as 'Author'.

Authors: Please refer to the Instructions for Authors (follow the 'Instructions for Authors' link in the menu above) for details and additional information on how to prepare your manuscript to meet the journal's requirements. Please log in to the system as 'Author'. Then submit your manuscript and track its progress through the system.
Note: All source files you upload will be automatically compiled into a single PDF file to be APPROVED by you at the end of the submission process. While the compiled PDF will be used for peer-review purposes, your uploaded source files will be transferred to the publisher for publication upon acceptance. For further information about requested file formats for text and illustrations please refer to the Instructions for Authors. You can also contact the

Step 3: At the time of article submission, please select the Special Issue (SI) of your choice. This Topical Issue section can be found under the 'Additional Information' Section .

Please answer the question: 'Does this manuscript belong to a special issue? Yes/No'

The answer is required.

a) If the answer is 'yes', the author has to choose the Topical Issue of choice, which will be:

Advanced Computing: Innovations and Applications

For reference, see the image underneath:

The image shows a progress bar with seven steps: Article Type Selection, Attach Files, General Information, Review Preferences, Additional Information, Comments, and Manuscript Data. The 'Additional Information' step is highlighted with a red box and a downward arrow icon. Below the progress bar is a 'Questionnaire' form with a text area and a checkbox.

Please respond to the presented questions/statements.

Questionnaire

Please verify that you have included a conflict of interest statement in your manuscript. A conflict of interest exists whenever an author has a financial or personal relationship with a third party whose interests could be positively or negatively influenced by the article's content. This should be added in a separate section before the reference list. If no conflict of interest exists for all participating authors, the corresponding author should use the following wording: On behalf of all authors, the corresponding author states that there is no conflict of interest.

- Yes, conflict of interest statement included.
